

Hammond RITEC– Watertight Boxes — RP Series

Ideally suited for mounting printed circuit boards or DIN rail mounted components.

- Bottom half includes moulded in standoffs for easy PCB installation, and DIN rail mounted components.
- Internal DIN rail tabs are moulded in.
- Designed to meet IP65.
- Gasketed lid with two piece construction protects against oil, dust and water.
- Rubber gasket is included and must be field installed.
- Lid is secured with self captivated - M3.5 stainless steel machine screws threaded into integral stainless steel bushings.
- Material: Molded in a light grey general purpose ABS or polycarbonate ABS is available with a clear polycarbonate Lid.

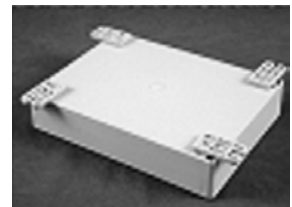

Part Number			Dimensions (Base Only)		
ABS (Grey)	ABS Grey (Clear Lid)	Polycarbonate Grey	Width	Length	Height (With Lid)
